

Wilhelmina and Wilfred were enjoying a quite tea under their favourite leaves, when the newt twins arrived. 'Either of you decided to have a nick name?' Nat asked. 'Yes, both of us have' the worms replied, 'Good, so Wilfred is easy - your nick name is Wilf, and Wilhelmina can be Wilma or Willa.' 17

'I like Willa best,' Wilhelmina said, 'I like Wilf too', Wilfred added. Just then Cedric came up and Nik asked him, 'We are going sailing on the pond, do you want to join us?' 'Ok', said Cedric 'do you have a boat?' 'Not quite yet' admitted Nik. 'We were hoping that you would help us make one.' 18
