

Selma slow worm loved dressing up. She awoke from her long winter sleep to find a warm sunny Spring day. She put on her best blue tutu and went to find her friend Wilhelmina. A lot of creatures were afraid of Selma because they thought she was a snake, but Wilhelmina knew better. 21

Selma found Wilhelmina busy thinking. 'Hi Wilhelmina, I just woke up.' 'Hi Selma, I am so glad to see you, by the way my new nick name now is Willa.' 'Ok,' said Selma. 'I like it.' Willa said, 'Its Wilf's birthday soon and I have planned a big surprise for him, but I'll need lots of help, will you help?' 22
